“And All The Angels Smiled”

“And all the Angels smiled when they saw your face, Baby Boy.
Because they knew you would make them laugh.
You were the smile for everyone when they were down.
You were the first to lend a helping hand.
And the Angels smiled when they saw you, Baby Boy.
Because they knew you would be the best brother they could ever have.
We will all miss you, Baby Boy, your smile, your hugs, your kisses, and your kindness.
You left us your beautiful little boy that we will always see you in him.
And Angels will smile because they get to be around you every day.
We will all miss holding you, and we will all come hold you soon.”
Your Nana,
