Carla Jean Hansen Bethany, 45, passed Wednesday, May 6, 2020, at home, in Huntsville, Arkansas.

Born in Richfield, Utah, on April 30, 1975, Carla dearly loved her home state. She married Brett Bethany on July 23, 1998, in Richfield, Utah, and moved to Arkansas in 2000, where they settled and made a wonderful home. Brett and Carla had two cherished children: daughter, Alexis and son, Ashton. Gardening and outdoors were two of her favorite pastimes. Having a green thumb, Carla raised and babied her delicious vegetables enjoyed by many family members and friends. She was very creative and loved exploring different crafts – Carla had a very artistic talent and loved to use her gift. The many creations she made were very desirable and wanted by many people. Camping in the mountains, or anywhere she could hike or “just be”, brought her great peace of mind. Being with family was very important to her. Carla dearly loved the times her family was able to travel and visit close family, back in her beloved Utah, whenever they could. Working in the medical field was a career chosen at an early age, always loving to be of help to people.

Those left to celebrate and remember Carla are her husband, Brett Bethany; daughter, Alexis Bethany; son, Ashton Bethany; father, Howard Rodney and Lori Hansen; mother, Diana and Farren Christensen; siblings: brother, Ricky (Joelle) Hansen, sister, Tara Dawn Hansen, brother, Gary Kent Hansen; mother-in-law, Linda Bethany; brother-in-law, Robert (Dianna) Bethany; many aunts and uncles; nieces and nephews: Kayla (JJ) Brewer, Wyatt Hansen, Hunter Hansen, Savannah Hansen, Alanda (Justin) Johns, Caden (Taya) Johnson; great nieces and nephews: Serenity Shea Johns, Eastyn Rodney Johns, Alayna Teara Johns, Brexton Rodney Johnson, Ridge Brewer, Kanyon Brewer; and 3 precious, spoiled Yorkies.

“ Carla was so welcoming when I started at NWMC. She showed me the ins and outs of the ER Tech and Unit Sec role and I cherished the times we spent together. She was so sweet loyal and caring. She made sure we all as a unit was taken care of. I loved her sense of humor, her kind smile, and her calming nature. Carla was so supportive while I was in nursing school and was one of my biggest cheer leaders. She will be so missed. Covering you all in prayers.

“ It's hard to believe God has taken you so soon. You were a person that loved life and lived it to the fullest. I enjoyed working with you on 1200/1300 and 2400. There was never a dull moment. You were always cheerful, kind and willing to help. Although it has been several years since I have seen I have thought of you often. I've laughed at the memories we made working together. You were one of a kind. Sending prayers for the family.

“ I meet Carla in 2008 when she welcomed me with her big friendly smile to Northwest Medical. Through the days we became friends, even when I irritated her. I've had the pleasure of spending time at her home and getting beat in basketball by her kids. Carla was not only friendly and sarcastic but she was easy to talk to as long as you don't touch her decorations!! Carla you leave us with heavy hearts and wonderful memories and you will continue to shine! My deepest condolences, thoughts and prayers to her family who was her world. RIP.

“ Carla Carla Carla!! There are no words for the heart ache that we feel knowing that we won't get to hear your laugh, see your smile, or laugh at your corny jokes or your sarcasm!! You made life for all those around you so, so much better!! You were a great organizer, a loving friend, had awesome handwriting (which I always was jealous of), an all-around entertainer, and an awesome family person!! Even after processing this for 2 days, I can't even think of you without tears or choking up and probably never will!! As a young nurse you taught me your distaste of hospital broccoli, as I opened a tray in front of you and you gave me a "Carla look" I knew I was in trouble. You were my lunch buddy for years bc we both needed that break from the hustle of 2400! I remember sending you wake-up texts for you to try to make it to work on time, although sometimes I forgot! We always had a joke about "just chew more gum" to keep ourselves out of trouble for sassing, even if we couldn't breathe because the pieces were so big and our inside joke about the book "who moved my cheese"... then there was the time you changed it up and said "who moved my cheese... who cut the cheese?!?" as we died laughing for 30 minutes in tears almost about to pee our pants!! The endless jokes about certain rooms being haunted, even when floors were ghost towns and the call lights would be ringing. My nickname was "Emmy" and you always defended me when someone would call me by the wrong name. Our lives will be a little quieter and lonely without you. I pray for your family and kids, as no one will ever be able to take your spot or fill the void!! Love ya my Carlita!! And I will always have my chubby little Razorback football player on my Christmas tree in memory of you from where you made me a famous peppermint wreath!! Love you Carla!! My thoughts are with your family and Brett, Alexis and Ashton!! -Emily Davis
