“ Our sincere condolences go out to the Boyd family. Good memories of being together with our kids growing up and trying to keep them in line and on the right track. Johnny was a good man to me and my family. We went our different ways after our kids were grown up, but I always had those memories and respect for good ol' Johnny, and I think that he ended up doing a great job with his role here on Earth. I know that he had some health issues in his later years, so I'm thankful that he can finally rest in peace now. To the good 'ol days Johnny...much love from the Montoya Family. God Bless!
