February 3, 1930 - April 8, 2020

On Wednesday, April 8, 2020, Martha Ballweg Durand, 90, peacefully passed away in the hospital with her daughter by her side and the love of her family surrounding her. She was a devoted wife, mother, grandmother, great grandmother, aunt, cousin and friend. Please take a moment to share a kind thought or memory with Martha's family at www.andersonbethany.com.

Martha was a descendent and grandchild of two Texas pioneer families; Patrick and Elizabeth

Cully Day and Martin and Anna Ballweg. She was born on February 3, 1930, to Leo and Mabel

Day Ballweg in Mansfield, Texas. She was lovingly raised by Oscar "Boy" Rosier and Agnes Day Rosier. As a child, she attended school at Gertie in Webb, Texas and remembers the bus stopping at a local store so students could buy a soda pop. She graduated from Mansfield High School in 1947 and went on to attend and graduate from Our Lady of Victory College in Ft.

Worth, Texas. She enjoyed her time there and met many lifelong friends. She was the Solidarity

Treasurer, the Marian yearbook editor, Student Council Representative and involved in the Albertus Choir, Press Club, Sports Club and Speech Club. She was voted Freshman and Sophomore Favorite plus was an Honor Student. She received her nursing degree in 1950 from

St. Joseph's Hospital School of Nursing in Fort Worth, Texas. As a nurse, she worked in Corpus Christi, Texas, where she met her best friend of over 60 years, June Bible. They made their way to Roswell, New Mexico in the 1950's where they met and married their husbands living only two houses apart ever since. Martha worked as an operating room nurse at St. Mary's Hospital in Roswell, New Mexico, where she met the love of her life, Joe Davis Durand. They married on January 7, 1961, in Arlington, Texas, and were happily married for 58 wonderful years. After getting married, she worked for General Dynamics as the nurse at the missile range site. When their children arrived, Michelle and Roger, she began her career as a school nurse in the valley for three school districts

(Dexter, Hagerman, and Lake Arthur) until her retirement in 1988. Her efforts for her church and community were evident by her actions. She was a pillar of her church community, Immaculate Conception Catholic Church, Dexter, New Mexico. She spent many years serving as a Eucharistic Minister, helping with and making food for fiestas and fundraising, teaching CCD classes to the children and assisting with treasury tasks. She took pride in supporting her schools' athletic events, even changing sides at half-time to represent both schools. She was a member of the Dexter Women's Club, serving as president in 1969-70, and in her later years enjoyed playing bridge with wonderful friends. She will be remembered for her sharp wit, larger than life laughter and her innate ability to tell it like she saw it. She was a sharp debater and enjoyed many debates with good friends over the years. Her compassion saw no bounds as she tirelessly worked to help the many families in all three of the school districts she served.

She is preceded in death by her parents, her brothers and sisters, her husband, Joe Davis Durand, their son, Roger Joseph Durand. She is survived by her daughter, Michelle Durand Runyan of Garland, Texas; daughter-in-law, Sherry Parriera Durand of Dexter, New Mexico; grandchildren, Taylor Durand and fiance Kenda Tucker of Dexter, New Mexico, Ashley Runyan and fiance Florin Constantin of Barcelona, Spain, Alysia Runyan of Garland, Texas, Timothy Durand and wife Cheyenne of Dexter, New Mexico; great-grandchildren: Jayden Runyan, Tristan Runyan-Shirley, Benjamin Runyan-Shirley all of Garland, Texas, Blakeley Harris of Dexter, New Mexico, Grayson Durand of Dexter, New Mexico and many nephews and nieces. “ Michelle, I'm the son of Joe's first cousin Margaret (Fulton) Middleton. Thus, my wife Karol and I were fortunate to have visited with Joe and Martha a number of times -- the last occasion being their wonderful trip to Austin a few years ago, before my mom died. And I recall attending their wedding. So, we were sad to learn of Joe's and Roger's deaths and now to hear of Martha's (via Elizabeth Brockmann). Both Joe and Martha were always delightful and caring people who made the world a better place. We're sorry to have them depart, as all their relatives and friends surely are. We wish you and your family the best during a very rough time.

“ Martha was a loving person. So friendly to everyone she knew. She helped me with my son and his hearing problem from 6 years old to 21 years of age. Because of her and a free program she knew of, we never paid out of pocket. She was an excellent nurse to all kids, including mine, at Dexter Schools. She, Joe, and Roger were good people. Please accept our deepest heartfelt condolences. Martha, you will never be forgotten

“ Michelle, sorry to hear about the loss of your mother. Your family was family to us. I look at family get together pictures and the Durand family was always in them along with Earlene. About 2 years ago your dad brought me some fresh pecans from the farm. I talked to your mother after that on the phone thanking her for sending me some pecans. I was fortunate to get to keep in touch with your beautiful parents. Your mom was truly one of the most special people around. I miss Roger too. I have a picture of us together with Chivo, my sister, William and Mark Roberts standing in front your parents home when we were around 5 and 6 years old. I wish we could have all got together to recreate that picture now that we are old people. Let us know if you need anything.

“ I'm so sorry for your deep loss! Mrs. Durand was a wonderful lady with a beautiful soul! I will forever remember her kindness and her commitment to make this world a better place. I will always be grateful to have grown up in a community where our elders such as the Durands were truly involved and helped raised us. They along with many other families in my hometown are the true spirit of "IT TAKES A VILLAGE TO RAISE A CHILD"! We have lost a great lady, but heaven has gained another Beautiful soul! My prayers for strength and comfort for you my friend! Sending my thoughts and love!

“ My deepest condolences to the family, I was blessed to have spent a drive with Mrs Durand not to long ago, it was crazy I had just parked at Stripes on south main, I saw this Ford car take off really fast almost hitting the curb, I thought to myself crazy lady! Not knowing it was Mrs Durand, she drives back to the store see her get out of her car to my surprise it was Mrs Durand, so I go into the store and tapped her on her shoulder and asked her if she knew who I was, she looks at me and says of course I know who are Sally! I asked her if she was ok, she explained why she did what she did, anyway I told that if it was ok that I would drive her back to Dexter and she was relieved and agreed to drive her home, during the drive she asked about the family and to my surprise she remembered everyone, and she then talked about the passing of Mr Durand and Roger, she made me promised not to tell Michelle , so I did keep my promise, I will never forget that time with her, she was full of life, she will be missed, RIP Mrs Durand.

“ I knew Martha most of my life. There are so many memories growing up, especially after we moved to the circle just East of where she lived. I guess my most recent memory was from last September. I was sitting with her and Michelle telling some story where I stood up to someone. She was so proud of me because I wouldn't have done that in high school. I was so surprised by how proud she was. I was not expecting that, and thought of that often since then. Martha will be missed.
