“ Our condolences to Mary and the Carrillo family. Minnie Rae was named after our mom Minnie as our parents, John & Minnie Martinez were church friends of Mary and Manuel. We knew Roger as well when he was little. May God's sweet blessings of peace and comfort be yours during this season of loss. You are in our thoughts and prayers.

With love,  
The John & Minnie Martinez Family

“ Oh my! This is a real shocker. I am flashing back at all the good old days when we worked together at RJCC-Records Dept. You were so awesome with the JC students. When you brought Denise to work for the first time. She was a little baby girl and so cute and she was just like a mini you. Beautiful..! That is when I nick-named you Mini-Me and you called me by my nick-name Babie. I am so sorry that we did not keep in touch, too much, once we left RJCC and went to different jobs, but we would see each other around town here and there and catch up on our families. My condolences to Minnie's family. Rest in peace Mini-Me. You will be missed, so much. Prayers to your family. This is so, so sad.

“ Oh my beautiful cousin seeing your picture here just hit me on how true this is.. you really are gone. This is so surreal, my heart still can't believe this and the tears don't stop.

I remember the times you lived and stayed with us. We would go shopping, play with makeup, dance in our room, stay up late at night sharing stories, going to the Raider games, crushing on boys. We had so much fun, no worries just being kids enjoying life. These memories will have a very special place in my heart and when I'm missing you I will close my eyes and remember those wonderful times we shared.

You were a devoted and loving daughter and I remember you dad telling my dad how he must have done something right in his life because he was blessed with a caring and loving daughter.

You were an amazing mother to Sergio, Denise and Lexi and a doting grandma to your babies as well as a wonderful sister to your brothers.

You were our "little sister" and I only wish we would have spent more time visiting with each other.

Rest in Paradise my beautiful "little sister" and I will hold on to God's promise that one day we will see each other. Give my mom and dad a big hug from me...

I love you and will forever miss you...Love your family in California, Denise Ortega
