“ Ron and Sue are good friends. Ron and I hung out starting the summer after I graduated from RHS. Ronnie met Sue and the four of us double dated. Ron and Sue married and then I married and moved away. I lost touch, but they were always on my mind. My dad Gene Boyer and Ronnie hunted together and they hunted some antelope through a dust cloud! What a story. Ron was a good man, married to wonderful Sue and have a wonderful daughter Kristy. I'll miss Ron, we all will and I am glad for the memories. God bless ad keep you, Sue and Kristy.

“ Extremely humbled and blessed to have Ronnie as a father figure and you as as my second mother. It means the world to me to read the obituary- thank you Sue and family for being so dear and including our names. Bre and I so enjoyed our time with you all yesterday.

Bre loved Ronnie, her first time shooting a gun was with him, I believe she was only 10, but having her express interest, next thing I knew Ronnie was loading his truck and they were off to the range!

We returned back to Dallas this evening, but I will do everything in my power to be there for his celebration of life! Reminiscing yesterday was awesome, I love you all so much.

I spent so many days of my life with the entire Gould/Jackson family and always felt I was part of the family- thank you all for allowing me to be a part of your life and you both loving me as your own. From uncountable camping trips, BBQ's, birthdays, life celebrations, vacations, etc.

Embracing "Kristy and Becky's" kindred friendship, with are only "soo slight" mischievousness :) You always said we were great kids, and told a few, "yep, she's mine, just looks like her Dad". I'm honored.

Kristy and I were so lucky to have a BFF friendship since we were 3- timing was perfect. I love you so much and Ronnie will forever be in my heart forever. Thank you, from the bottom of my heart. He will truly be greatly missed by me and my family - forever.

Rebecca "Becky" - January 24 at 12:10 AM

Sue - January 24 at 11:29 AM

“ One of my earliest memories is going to you alls house on First Street and helping with chores and hanging out. One day, Ronnie asked if I wanted a beer and I said, "Sure". Unbeknownst to me, he had called my parents prior and asked if that would be okay. I thought I was the sneakiest kid on the block, that day.
Other memories as I grew up, we'd work on campers, drive to Plains, Tx to get lottery

tickets, go to the shooting range, go antelope hunting, and we worked out a really good recipe for jerky that I keep a secret, to this day.

Ronnie was almost a father figure when I was young and was a good friend as I grew up. I will always remember him.

Robert Hale - January 23 at 11:21 PM

“ The last time I saw Ronnie was right before Christmas the year John passed away, 2011, at Target. He was buying Sue stocking stuffers and we got to reminiscing about those years on First Street, how he loved watching John grow up and missed those years. Then he showed me the little items he was gathering for your stocking. I thought that was the sweetest thing. He will be missed, but he made such an impact on many lives, he will be remembered, for always and forever. Sending you all hugs and love.

“ My husband Gary Wagner has known Ronnie since elementary school at East Grand Plains. I met Ronnie 15 years ago when his granddaughter attended Generatilns of Learning and he work as our maintenance man. I will never forget the Great War he and I fought the year the needle grass was so bad. We thought we would never get all that grass bagged. After he left the school I would see him at Farmef's Market getting groceries for Sue and we always had a good visit. He was a mans man and loved the outdoors. Ronnie go rest high on the mountain and we will see you again. Gary and Marilyn Wagner
