“ My Tia Lola was special in her own way. As a child living nearby I could walk into her home and feel the welcome of a Mother's love. I looked forward to her red chile con carne dinners. She treated everyone with respect. Her unique laughter will be missed along with her big smile and that red colored lipstick she wore. My condolences and prayers for her family. God bless

“ Grandma Lola will be missed by all of her grandchildren. She was a wonderful grandma to all of us. I will never forget when she would braid our hair (my three sisters and I) and Bobby pin it up like she did hers everyday. I regret not seeing you as much as I should have because now your gone. You are no longer suffering and you are with grandpa now. Love you with all my heart Grandma. See you in heaven
