“ Uncle Skip- I'm so sorry to find your passing tonight on the internet. We loved you and Aunt Joyce (Aunt Jo) so so much. You all were very kind and loving and you were so good to Aunt Jo. I know Josh and Ashley enjoyed seeing you years ago and hearing all about your arrowheads and guns. Y'all loved your neighbors so much and the wild life and turtles and just life in general. You set a great example to the rest of your family. You will be truly missed. Love, Heather, Chris, Ali, Tana, Josh, Ash, and Charlie.

“ Them you will be truly missed. The neighborhood won't be the same without our over the gate visits and doggie treat exchanges. All our love to you and your family.

“ We're going to miss you Therman! We spent a lot of valuable time together, troubleshooting, repairing and installing electrical/electronic equipment. Everyone that worked for you learned a lot from you and, it never failed, you had the right question to ask us if we ran into a roadblock in figuring something out. That would send us back to find the answer. We'll also miss Sammy here in the neighborhood.
