“ *Delia, Carmen, Barbara, Billy, and Della, I am sorry to hear about your Dad If only death was not such a hard thing for us to go through. My parents have been gone 17 and 19 years and it only seems like yesterday we were in a sad trance making their arrangements to say our goodbyes. It's a real reminder of how truly short and precious life is. This is sent in behalf of me and my entire family.*
