“ My deepest sincerest condolences to Adam's family. I'm in utter shock to barely find out today about his passing. Adam and I use to work together at Sam's Club in Odessa, T.X. And I'll never forget him, he was such a kind, soft spoken, sweet friend. We worked hard together, but also shared so many great deep conversations together.. And I specifically remember him speaking so fondly (and often) about his children, and their mother. He loved them more than anything in this world. And I'm truly saddened to know that he has passed on. I wish I had found out sooner..I'm so sorry. But I will always pray for his children, family, and their healing.

*I will miss hearing from you Adam. May you rest ever so peacefully my dear friend. I will never forget you. *hug* 🥺😭💛🕊️*

*Sincerely & Always,
