She is Gone! You can shed tears that she is gone or you can smile because she has lived. You can close your eyes and pray that she'll come back or you

can open your eyes and see all she's left. Your heart can be empty because you can't see her or you can be full of the love you shared. You can turn your back on tomorrow and lived yesterday or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back or you can do what she'd want: smile, open your eyes, love and go on.

“ It's times like this, when I really wish I could talk to you. I'm having such a hard time. Everyone I expected to stay left. Know matter how mad I am at the world, I still have that soft spot for you.. I just noticed that your going to miss all of the important things... Your not going to be there when I graduate, I started driving, you weren't here for that..what about when I start college?? I'm so lost, I'm scared, mad. I understand that you fought for a very long time... But I wasn't ready!!!! I wasn't ready!! I need you now more than ever...

“ My thoughts and prayers go out to the family. I knew Agnes many years ago. I met her when I went to school with her daughter Vicki. Then when I got older I had the opportunity to work with her several times at Casa Maria. She will be greatly MISSED but never FORGOTTEN. May God Bless Each and Every One of You.
