I Am Still Near

Death has taken me from this world,  
and though we are apart, I am still near.  
All that we meant to each other remains true,  
in trust and faith, have no fear.  
Keep me always close to your heart !  
For I leave with you what no one can steal,  
a treasure chest of precious, happy moments:  
the tender, love-filled moments we shared,  
as well as the challenging times  
that brought us closer together.  
When you are in need,  
speak to me, call my name.  
I will come to you with wisdom and light,  
to fill your soul with peace,  
and to guide you in the pathways that  
lead to life forever with our Loving God.  
I also offer you this sacred promise:  
When I am home in God's embrace,  
whenever you call on me,  
I will still be present to you,  
for neither death nor grave can break the  
bonds of love that we on earth once knew.

“ My daddy-o Augustin was the best dad I could have ever asked for! He was a joy of life and there was never a dull moment with him. He supported is through everything he was always there he always had and made time for us no matter how tired he was. He was a very respectful person and showed us manners and respect. He listened to all my stories. Carried me to bed if I fell asleep on the couch. We loved to go fishing and camping with our dad it was so much fun. Every holiday with him was a blast. He had the best sense of humor 😊. Dad I have so many more memories that I could post but it will be a life time before I finish them. . I love you so very much and I will love you forever and never forget you.. you are the best daddy-o. May you rest in peace! You are now my Angel watching over us! Your grandchildren also love you very much.. See you soon my sweet Angel daddy-o.
