“ *Alehondro has been a lifelong friend and I will miss him! He was someone who always made time to visit and to care! You always knew you could count on him! My thoughts and prayers are with each of his family members. Cipriano, you are especially in my thoughts as several of the last times we visited, you and Alehondro were -out and about- together. My love to all the family! Debby Huckabee*

“Alejandro made it possible for me to take trigonometry my senior year at Hagerman. When our class became seniors a few of us wanted to take trig and Hagerman hadn't offered it for several years. A couple of us approached Mr. Welborne and asked him if he would add trig (and solid geometry) to the offering. He told us he would if five students would sign up for it. Alejandro was number five and we all knew there was no way he really needed it on his transcript like the other four of us did. Thanks Alejandro...”

“Alejandro was more like a big brother to me and my sis, Patsy. He married my sis, Christine when we were very young. He knew our whole life story. Always there for us, through all the good and bad times. Always with words of encouragement and of course always joking with us. Alex and Chris were always ready to help us with whatever we needed. When I got married the 1st time. They did not hesitate when I asked them to be the best man and maid of honor. When I had my 1st two children. They were ready to be their godparents. Alex and Chris were my brother and sister, my compadres, my best friends. I will forever miss them. Wanda, Sonya, Chris, Fabian, all my great nephews and nieces, I love you all so much

“ *Alli went to school with my father in law Frank Rhodes many years ago. They became great friends. Bob said that Alli taught him many things when he was working for Bob's dad! He worked for him for 38 years. My memory of him was when I first met him he teased me on how short I was! To the Villa family, Bob and I are very sorry for your loss. Prayers and hugs to all of you! Bob says to fly high my friend and show them how to farm in heaven! You will be missed!!*

“ *Many years ago Mr. Villa lived in a mobile home that we owned. Shortly after he moved in, he asked if he could plant some rose bushes. I don't remember how many I bought for him, but he planted, watered and cared for them as long as he lived there. They were beautiful and I think one or two of them are still on the property. He was such a good man, the Town of Hagerman will miss him. Sweet peace in Jesus our Savior Mr. Villa.*
