“ Al was such a warm, kind, and loving friend. We will miss him so much, and there is absolutely no way to fill his chair on the gazebo or around the table in Ruidoso. He was always ready to help regardless of the task.

Our thoughts and prayers are with all who mourn his passing. The world is a better place because Al walked here.

“ The Mantelli's have been a special part of mine and my family's life for as long as I can remember (42 years ago or so for myself). Al encompassed so many qualities that a person might find under the title "What is a Great Man". He was always so kind and caring--two of the qualities I personally find to be most admirable; therefore, I am not surprised to hear that Chad and Barry have grown to be men possessing the same wonderful qualities their Dad showed so purposefully. Although I am not able to attend tomorrow's service, my thoughts and prayers are with all of Al's family and friends at this time. ---Todd Housewright
