“ *I knew Alice as the bus driver of Bus #82 as she transported our special little preschoolers to and from Parkview Preschool. She was always a pleasure to see and although I didn't know her all that well, I know she was a wonderful person. May God bless you and give you the peace you need during this time. My Dad recently passed away after a battle with cancer and it's not easy for those of us left behind. We will always have wonderful memories of our loved ones. God Bless You All!*
