“ I will always remember when the song, "what does the Fox say" came out and how I would sing it to annoy him. Then he bought me the singing fox and office pen holder and bowl with a Fox. Allen, you will be dearly missed but never forgotten. You will always be my one and only favorite "CEO PEON". Fly high with the angels.

“ *I greatly enjoyed working with Allen for several years and could always count on him to make the day a little brighter at work. Years after working together, Allen always remembered me when I would run into him out and about. I am privileged to know such a good person and will miss Allen. “ *I will always remember the kindness of Allen, his brother Jackie, and sister Fannie for what they did for their sister Billie, my wife. Billie was dying, and the three of them came up to visit her. Their kindness will stay with my family. When I met Allen, he was a 9 year old kid. When I saw him again, he was a kind, generous man. Rest In Peace.*

Allen made me welcome to the family from day one. He was always a jokester & we got along famously. He has always loved kids & I remember how he would take nieces & nephews to the park when he was just a kid himself. Very few boys cared to make children happy. He has always been one who loved to make kids happy & his chosen profession proves that. He has a huge heart!!!! I will miss my brother
