“ *I have many fond memories. My uncle shared his vacations with me. There were trips to Canada and Northern Michigan camping. He taught me how to shoot a bow and later how to drink Ten High. When I was in grade school, he delivered fuel oil to our school with his Refiner's transport truck. He let me and my friends crawl up into the cab which made us feel special. I have memories of deer hunting with Grandpa and Alton which could be an interesting experience. In my early married years I enjoyed the family get togethers in Rockwood on the canal. So many memories...he will be missed.*

Thank you for your service Uncle.
