“ *Alvin was such a sweet friend and classmate (Corona class of '66). He always had such a great sense of humor and a kind heart. I enjoyed seeing him at Corona Days and spending time on the phone with him, both of us bragging about our children. I wish love, peace, and comfort for his family. May your memories bring you joy. “ *Alvin was my classmate at Corona. We went from 6th grade to 12th together. He was a good friend. I knew him as a hard working down to earth good fellow. I got to see him two years ago at our class reunion and so enjoyed visiting with him and seeing him again. May God bless all his family. Allan Brunson*

“ For the Family of Alvin E Sparks. So sorry to hear of your loss. I am sure he will be missed my many.
He was a cousin and I know we will surely miss him.
When he was younger and my kids were small they thought he looked like Hank Williams Jr. They called him Boseifess.
