“ My Condolences to all....🙏🙏🙏 His Mother Anna. His brother Joey. I know a part of your soul feels missing, and it seems you can't move on... Yes, you can and you will. There are times in life we have/had our little fallouts.

One thing is for certain. In heaven our loved ones have no regrets, or hold onto any grudges. Neither should we. Just "Repent" You will get through this. With The Lord's help. With Jesus by your side. Nothing is Impossible with God. Day by day the healing process will begin. It will make it more easy to continue your journey here on Earth. May God continue to give you His Peace. Stay strong. Too the rest of his loved ones, his (Children). Stay strong. God bless you all... Peace and Love continue to engulf you all... Remember: "Don't wait until times such as these too tell one another how much you love them.!!! Start "NOW" Give more hugs, visit one another, call each other up, let them know, you are thinking about them.!!! Do it while it is called... "TODAY" My Love to you all....💖💖💖 We Love you Anna Joey🙏
