“ Although I didn't know Amanda very well, as I didn't see her often enough, I felt that I knew her well enough. Enough to know that she was a very strong willed woman that had nothing but love for her family and would go to great lengths to protect them. And now she watches over them, just as she always intended.

“ Amanda embodied what a mother, sister, daughter, and true friend really is. The diverse group of friends she kept in her life proves just how accepting she was and how much unconditional love she shared with those nearest her. She will continue to live through the unforgettable memories we shared with her, however brief they may have been, and her spirit will continue to live through her children. I will truly miss her.

“ I have dearly missed Amanda's smile over the past months. I'm reminded of her each morning as her office at Plant 5 sits empty. She was always a hoot, pulling pranks on me whenever I least expected it. The big one was a message she left for me to return a call Mr.Bear... I was so embarrassed to find that I had returned the call to the Roswell Zoo.
Amanda will always hold a special place in my heart.

“ God saw you getting tired, when a cure was not to be. So he wrapped his arms around you, and whispered, “come to me”. You didn’t deserve what you went through, so he gave you rest. God’s garden must be beautiful, he only takes the best. And when I saw you sleeping, so peaceful and free from pain I could not wish you back to suffer that again. Our family will be keeping your family close in our thoughts and prayers. We are very sorry for the immense loss of a dear family member. May you find peace and comfort in the coming days weeks and months to come.

“ I knew Amanda and family back in aviano Italy and she always had people laughing. Recently she always kept me smiling when I was having a bad day when she'd catch me on Face Book. I will miss her and her great smile very much. She touched a lot of peoples hearts and I am one of them. Amanda, thank you for helping me stay strong. You are a warrior and Angel. We will meet again soon.
God bless.

“ My heartfelt condolences and prayers for your family's loss of Amanda. I had the fantastic opportunity and privilege to meet Amanda while being employed at Select Milk. Friendly, professional, and caring. She made an impression on me from my first interview till the time I departed. A perfectionist who could make things happen. A fantastically caring mother who lived to give her kids all she could. This is how I will always remember Amanda. Please accept my condolences. Know that she is in a great place now and her place is with God. Thank you.
