To Those I Love and Those Who Love Me While I am gone release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears. Be happy that we had so many beautiful years. I gave to you my love, You can only guess How much you gave to me in happiness. I thank you for the love you each have shown But now it's time I traveled on alone. To grieve for me a while if grieve you must Then let your grief be comforted by trust It's only a while that we must part To bless the memories within your heart I won't be far away, for life goes on, So if you need me, call and I will come. Though you can't see me or touch me, I'll be near. And if you listen with your heart, You'll hear all my love around you soft and clear, And then when you must come this way alone, I'll greet you with a smile and say... "Welcome Home"

“ *My deepest and sincerest condolences to every single family member that has survived her. We never knew each other and especially did not know that we are also related. Hopefully in a distant place we can get to know each other.*

“ *My thoughts and prayers are with you through this trying time and always. I worked with Amber and she had an impact on me like no one else. I will never forget her one-of-a-kind smile. It is truly a blessing from God that I was trusted by Him to have had her in my life. She will never be forgotten by anyone who had the pleasure of coming in contact with her. Trust in the Lord, our Savior, and we will see her again soon.*

“ *I am so sorry to hear about Amber. I worked with her in the past, everyone always knew Amber had arrived at work without even looking, it was never a dull moment with her there. She will be greatly missed. My condolences go out to all of you, I know it is hard to lose someone you love, but you will all be together again one day. God Bless You All*
