YOU NEVER SAID GOODBYE

You never said I'm leaving

You never said goodbye.

You were gone before I knew it,

And only God knew why.

A million times I needed you,

A million times I cried.

If love alone could have saved you,

You never would have died.

In life I loved you dearly,

In death I love you still.

In my heart you hold a place,

That no one could ever fill.

It broke my heart to lose you,

But you didn't go alone

For part of me went with you,

The day God took you home.

“ All the memories she made in my life and others, was her beauty inside and out, the wreath's she made for myself and others will always remind me of her. I'm lost for words which I'm usually not, she never complained about herself, she would tell me I'll be ok. But did she love her kid's and grandkids without doubt that was her moon and sun for her. She did for them always no matter what the circumstances, now the time has come that her children must take over and walk in her steps she laid the foundation. I LOVE YOU ANNIE Merlinda Padilla, will see you again
