“ *I would like to extend my sympathies to Paul and the other members of the family. Paul and I were classmates for many years in Roswell. I only met Mrs. Heider a couple of times - we were teenagers back then. May the Lord bless you during this difficult time.*

“ *Anne was a wonderful lady. I was happy to know her for the brief time I knew her. I hadn't seen her in a many years but she directed me in a show years ago. I really enjoyed working with her. I enjoyed talking to her when time permitted. She told me to keep going for my dreams. I send my deepest condolences to her family and friends.*
