“ Many times in our life we ask the question, why? In the case of Anna, the answer is so clear...Angels are only allowed to walk among us for a given time, then they must reside among there chosen place, along the side of God and Jesus. If ever i was blessed to know an angel, it was Anna. May the Angels of Heaven, know the blessing that has been bestowed upon them, by your joining them....May everyone that ever knew you, or was in your presence, be thankful of the gift that they recieved by your beauty, grace, and love of the world.....God Bless you Anna

“ Anna was a remarkable woman, teacher and friend. Anna will forever be remembered for her love of her family, friends and her students she taught at Head Start. Anna's desire to develop the minds of our future drove her to not only expand her education but to push her children and others to do the same. Anna will forever be missed by everyone she knew and her lasting impression she left on the students she taught will live on forever. My sincere sympathies & prayers go out to Anna's parents, Raul, her children and grandchildren.
