

Annie Pearlene McPherson

March 24, 1940 - May 10, 2021

Annie Pearlene McPherson also known as GG, 81 of Roswell New Mexico, was born to Jewett & Edith Potts in Yanush, OK on March 24th 1940. On May 10th 2021, Annie started her day with a beautiful sunrise and continued on into the Heavens with a peaceful till we see you again surrounded by her loving family and dog Blue.

Annie McPherson had many titles that she embraced proudly. She was a loving wife, mom, sister, daughter but most importantly she enjoyed being a grandma. She was her grandkids grandma, her great grandkids grandma, her nieces and nephew grandma. She was the epitome of a grandma. It was not this is my great grandma, but this is my GREAT (of an extent, amount or intensity considerably above the normal or average) Grandma. The kids loved to be at her house and anything kid friendly Roswell had to offer she was there with 20 grandkids. Ok may not 20, but close to it.

She was an amazing mom. She coached her sons to a 1st place season in baseball. She was a competitive bowler in her younger years and even had some of the great grandkids in a bowling league at one point. She enjoyed going to yard sales. She would ring in each New Year with her grandsons. She enjoyed going to the Joy Center to hang out with her friends. She was selfless, quirky, and she loved the Lord with all her heart.

Annie was a prayer warrior. If you ever talked to her about anything you were dealing with, I promise you this...she prayed for you. She liked John 14:27 which reads "Peace I leave with you; my peace I give you. Do not your hearts

be troubled and do not be afraid." She was soft and gentle yet strong and determined.

The loved ones who precede her in death are the Love of her Life, her husband Buddy McPherson, parents Jewett and Edith Potts, son Dewayne Mayes, and brothers Larry and Little Johnny Potts.

Those who are left to cherish her memories are brother Darrell and Teresa Potts, brother Eldon & Evelyn Potts, sister Dora and Steve Dodson, brother Artis and Patsy Potts, sister Laquita Helm and brother Marty and Tara Potts. She will be lovingly remembered by her son Deland and Aimee Potts, daughter Denna and Frankie Garcia, son Doug and Emily Mayes and son Dale and Olivia Mayes. 18 grandkids, 65 great grandkids, 13 great great grandkids, nieces Tracy and Tanya and nephew Terry who always had that grandkid bond with her.

The viewing will be held Sunday May 16th between 1:00 pm-5:00 pm. Services to honor and celebrate Annie's life well lived will be Monday May 17th at 10:00 am at Anderson Bethany Funeral Home. Interment immediately to follow at South Park Cemetery.

Officiating the service will be Marty Potts. Pallbearers are Anthony Mayes, Angel Garcia, Steven Mayes, Cleo Mayes, Elijah Quiroz, Devon Quiroz, Jacexander Garcia and Jadeathynn Garcia.

Honorary pallbearers are her dear friend Phyllis Fix and all of her Joy Center friends.

Reception will be at the 180 Building at 901 W Brasher Road from 12:00 pm-2:00 pm.

A special thanks to all of her awesome Encompass Care Team.

In her last days she often told us not to cry, tears of sadness made no sense
When all she could see was the pearl white fence.

When you miss her, cry tears of joy as we celebrate her life,

Let's sow love and kindness and turn away from strife.

Let's all try to live an honorable life.

Love one another and check up on each other, call your loved ones and answer their calls,

For we never know when death is down the hall.

Pray and pray and when you feel knocked down, you get up and you walk tall.

When your sad, call on your heavenly Dad, for he is the comforter of us all.

When you're scared he protects, when you're lost he directs.

Peace and joy through the storm, in the Lord we can rest.

Through his name withstand the test.

Always strive to do your best, our merciful father will cover the rest.

It's ok to miss her, but above all let's give her the way we live our life.

Grandma watch over us, thanks for all the prayers and lessons that you taught.

We will miss you deeply as your absence breaks our heart, but the memories you left us will be the super glue.

The glimpses of the life you lived will just have to do.

Thank you God for GG's life.

You all have fun up there. Give her hugs and all our love until we meet again.

“ *I meet Annie while preaching door to door in 2019, she would always invite me into her home and we would always have nice conversations about the Bible, and about our future hope of seeing are loved ones again. I grew so much love for Annie and sweet blue. When COVID hit, we kept our conversations over the phone, which was always nice talking to my sweet friend Annie. The last time I tried calling her several times on may 8th, with no answer, left me with worry, and today I was sent the link of her death. I will miss our conversations Annie, but I know we will have a conversation again, but next time you will be young with no sickness, and I'll be able to meet your husband, and I'll be able to introduce you to my sister. Until then you will be greatly missed, thank you for being a kind stranger who turned into a sweet dear friend. -Makayla Cerriteño*

Hello I was thinking about my grandma and for some reason ended up on this page, and it really blessed me to see your message. I am sure she prayed for you as I learned from her journal she covered all of her friends and family in prayer .

“ *Ms. Perlene has been a family friend for as long as I can remember, and was one of my mom's very best friends. I always enjoyed my talks with her when I saw her and she was rarely without a smile. She was a very kind and gentle soul who loved her family deeply and was fiercely proud of them, and she is going to be very missed. What a beautiful soul on earth and now in heaven.*
