and Crematory. "I'm in your heart forever" Right now I'm in heaven, And though we seem apart, I'm closer than I ever was; I'm there inside your heart. I'm with you when you greet each day. And while the sun shines bright, I'm there to share the sunsets too; I'm with you every night. I'm with you when the times are good To share a laugh or two, And if a tear should start to fall, I'll still be there for you. And when that day arrives That we no longer are apart, I'll smile and hold you close to me; Forever in my heart.
