I Am Free

Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard him call
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way
I found that peace at the close of day.
If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now; He set me free.

“ Oh my Comadre, I just watched the Video because the day of service was such a blur. It is absolutely beautiful, as she is inside and out. How I miss her so much. Many, many, many memories of her, I can go on and on with them. I will cherish our memories forever. This is something I never imagined. I thank God for the most beautiful friendship since we were in kindergarten. I can't even explain the pain of losing her. She doesn't need bubble wrap or to be wrapped in Charmin Tissue as i told her we need to do to her for her falls. She does not need my arm for her steps, for now she is in the arms of our Almighty, much stronger than all. She is now dancing in the sweet Heavenly skies, no pain, no tiredness, healed from all, that is what keeps me going, knowing she is in a better place with no suffering from any illness. She raised the most beautiful, kindhearted, loving, caring children who will carry on what both her and my Compadre instilled in them. I could write a book with my feelings, thoughts, memories, etc. My Comadre will never, ever be forgotten. May she rest in Sweet Heavenly Peace.
