“ by Richard Fife No person is ever truly alone. Those who live no more, Whom we loved, Echo still within our thoughts, Our words, our hearts.
Praying for the family at this time. Its hard to see a love one go but the lord has a reason why he takes them. God Bless each of you.

“ Hey uncle, I know your in a better place. you will always be remembered by all of us. building kites and playing SEGA Genesis when I was a kid. That SEGA you gave me when I was a kid was my favorite thing to play when I was young. My son took over my nickname you gave me (PAPA). I Love You and Miss you very much. One day we will meet again. Rest In Peace

“ Uncle Jr,...you will be missed very much you are such a great person! I will always remember our times together when you lived in California with us. You were always there for me and the boys (Mark & Eric). I loved the times you took us to the swapmeet and when we went fishing at lake Perris. When you flew kites and raced the remote control cars with the boys,they will always remeber that and I will also. You always had a big heart and made me laugh even when I was at a difficult time in my life. I am so glad that I got the opportunity to see and and talk to you before you went in to god hands. I wished you would of got better,I know you didnt want to leave this earth because you kept hangin on, thats how big and strong your heart was...a heart of gold!! love you very much! You will always be in my thoughts and in my heart forever!Visit me in my dreams so we can chat!....Hugs and kisses your niece Barbara Ann Anchondo and Family

“ Dad just wanted you to know how much I love and miss you so much. I am sorry I couldn't make the funeral because of some issues. But I am glad you got to hear my voice one last time the day you passed away. You will be forever in my heart. I am glad for all the times we shared & all the phone calls we had. You were always there for me. You always gave me good advice like never change who I am or to always stand up for myself or what I believe in. Always know I love you and I was proud to be your daughter. Thank you for all your love!
