One of April's most special and biggest accomplishments in life is making the decision to give her life and soul to Christ asking him into her heart as Savior and followed her Lord in Baptism. April was so proud to receive one of a woman's most rewarding and proud blessings and title from God, Grandmother. The blessing and title of grandmother can't be given before the title of mother of which April was amazing at. April will be very missed by her church family in Ruidoso Downs, NM, who's lives she touched with her portrayal as a young and wonderful mother to her children, and to all who were blessed to have known her. She will be widely missed so very much by all of the mountain community who had the privilege of knowing April Sosa-Gonzales.

In addition to her heavenly father and much adored children, April gave

herself to any and all she could. She pushed through and she accomplished earning her GED from ENMU Alamogordo, NM. She had an amazing and loving heart that will leave an admirable hole in the hearts of all who were blessed to know and love her.
