“ Arnold and I grew up at the "Big Apple". I met him in third grade and we were friends till I moved to North Dakota. I never saw him again although I have been here since 92. May you rest in peace my friend. I was looking at our 5th grade class picture and smiled when I saw you, you were always happy go lucky.

“ We were deeply saddened to hear that Arnold passed away this morning. Please know that our thoughts and prayers are with you and your family.  
We will never forget Arnold. Him and Richard lived with us in California when we first got married so we have a lot of good memories of Arnold.
