“ There is a lot I could say about my uncle even though he was such a quiet man. He always had a way about him. Not much of a talker, but he always made his presence known. Whether he was in sleeping on the couch, or just watching everyone do their own thing. I know I will miss him so much. I got the chance to know him again while he stayed with Mom and Dad. I loved the way he always was a kind soul. Never a bad thing to say about anyone. I will miss him dealy.
