“ My heart & prayers go out to your family. Arthur was a nice young man, we liked him the moment we met him. He was a respectful, fun guy. He was raised by very beautiful people because he touched my niece' heart. (Tiffani Sisneros). I appreciate you all, and I appreciate the young man he was. He made her very happy & it was because he had such a Beautiful loving family. He touched our hearts the moment we met him. You don't find that very often, he was the One in a Million. He will live always in the hearts of many. I pray you find peace, and comfort knowing he was a great young man, brother, friend, boyfriend. God be with you all.
