“ *dEAR fRIENDS:*

On behalf of First Baptist Church, Dexter, I would like to extend our condolences to Elaine;s family.

I serve as Interim Pastor at First Baptist Church, Dexter and formerly served as Director of Missions for Pecos Valley Baptist Association where I became acquainted with Elaine and developed a deep appreciation for her and her willingness to serve the Lord so effectively.through that church.

I am sorry I was out of town at the time of her death and was therefore unable to be in contact with the family at that time.

Although most of her contemporaries are no longer at FBC I have been able to share with the present membership the contribution she made to the church, and ultimately to the benefit of the present generation.

Please know that she was loved and remembered by many.

God Bless!

“ You have heart me felt sympathies for the loss of your mom, I know she will have many jewels in her crown as she touched and changed lives that we will only find out about in heaven. I am so appreciative for both your parents as they took me into their home during a rough patch of my life. I miss the comaraderie we had in those days Benny. Hope your life has been as full and blessed as mine. Kenny Conklin

“ Our Mother was a rare, gracious woman who always thought more of others than herself. Her life consisted of serving her family, her church and her community. As my sister-in-law always said, "Mama Lane was truly a Proverbs 31 woman. Ben, Larry and I could not have been more blessed.

“ We are proud to have had Mama Lane as a grandmother. Her music has touched all of us, and without her talents - none of us would have had our own musical talents. It's incredible how we've been able to glorify the Lord and touch so many lives because of her.

Mama Lane and Papa Fate are together again and Mom is there welcoming her into heaven. Aunt Ida said that Mom always referred to Mama Lane as the Proverbs 31 woman...you can't get any more special than that!!
