“ *Troy, Fran and Family, I am so sorry about Barbara. I just found out from Sherry at work. I know things must seem all out of wack and I know it is such a loss. God has taken her to a better place where there is plenty of love. If there is anything I can do to help out just ask. I love you all like you were part of my family and I will miss Barbara too. Love you all, Carol, Paul, and kids*

“ Oh what memories the name Barbara Jean Brown brought. When I saw the name, I just knew who it had to be. When I looked further, there were lots of familiar names. I had Barbara, Mike and Tracey in school in the second grade at Sunset. Fran stands out as one of my favorite mothers during all my teaching years. Then, when my husband was dying with cancer, some of the family was also fighting cancer and died shortly after and I think it was Fran's brother??? I can just see him but can't remember his name right now. I remember the grandfather and grandmother. They stand out very clear. You are all some very fond memories. The Brown kids were good kids! I am so sorry you are hurting---I hurt with you. I'm so sorry. Frankie Lacer
