

Barbara J. Clem

July 7, 1943 - March 29, 2022

I have fought the good fight; I have finished the course, I have kept the faith—
2 Timothy 4:7 Barbara J. Clem, known to all as either Bee J, "Mom" or "Nan,"
78 years old, went to be with her Lord and Savior, Jesus Christ, on Tuesday,
March 29, 2022, in Roswell surrounded by her loved ones.

On July 7, 1943, Bee J was born to Dayton and Stella Harris in Tucumcari,
NM. She grew up in House, NM, which was a small, tightly knit community,
where she learned the importance of helping your neighbors and what really
mattered in life—her family. Her parents, known to the family as Granny and
Padate, instilled in her corn-fed character and values that made her the
amazing woman she was. She passed these traits down to her children and
grandchildren through her love, leadership, and prayers.

The majority of her career was spent in the legal field, where she worked for
numerous attorneys and judges whom she loved and admired. Her career is
what led her to find the love of her life, Lloyd Clem. They were married on
October 6, 1979, in Roswell, NM. They both continued their careers together
in the court system. She became the District Court Clerk of the New Mexico
5th Judicial Court, where she served from June 29, 1992, to May 15, 2007.
She became the Court Administrator of the 5th Judicial Court on May 15,
2007, where she served until her retirement on December 31, 2013. During
her career, her hard work, commitment, and sweet spirit not only earned her
countless friends and co-workers throughout the State of New Mexico, but she
also helped achieve great accomplishments for the court systems, one of

which was leading the implementation of the first jury software in the 5th Judicial courts. Her loving and caring personality, coupled with her hard work and commitment, made a lasting impact on those she worked with and gained her the love, respect, and admiration of countless people. After retiring, she enjoyed spending time with her family and making cards with "Sister."

It would be amiss to not mention the biggest part of her life, even above her family and career—her relationship and faith in Jesus. When she married Lloyd, not only was she getting the love of her life but becoming a part of a family that had a firm foundation in

God and His Word. As Lloyd and Bee J. made their life together, Lloyd and his mother, Grandma Ruth, ended up leading not only Bee J. but also Ferrall and Shelly to the Lord, which then abounded throughout the family and coming generations. We are all forever thankful for this legacy and salvation. She was our prayer warrior.

Those left to cherish her memories and legacy until the day we meet again are her:

- Husband: Lloyd Clem of Roswell, NM
- Children: Ferrall and Sue Clem of Roswell, NM; Shelly and Randy Bristow of Artesia, NM
- Grandchildren: Jennifer Benton of Roswell, NM; Jason and Mandi Clem of Roswell, NM; Brittany and Josh Amador of Roswell, NM; Colton & Rae Campbell of Brownfield, TX
- 10 great-grandchildren

“ *Thank you Lord for blessing Ferrall and I with such an amazing Mom! She was such a beautiful lady, inside and out, and touched so many life's with her gracious and kind ways. She was our great prayer warrior, and peace maker in our family. She loved the Lord with all her heart and through the years she shared that with her kids, grandkids and great grandkids. Her grandkids and great grandkids called her Nan, and boy did they love their Nan! No one could give love pats like Nan, we always called them Nan pats, and every time they saw her, she would give them Nan pats. We all are going to miss her so much, but know we will all see her again someday. For now we will hold on to, and cherish all the wonderful memories we made with this special, special lady, that I am so proud to have called MOM! Thank you Mom for being the BEST MOM in the world! We all miss you greatly.💕*

“ I will never forget the first time I met Bee J. It was when we first moved to Roswell in 2001 and eventually joined the CMA. We went on a ride with the group, and Bee J wore the most beautiful set of honey colored leather chaps and matching jacket I had ever seen. She gifted me with her black Honda Goldwing jacket that I still wear today, and think of her every time I wear it. She was a beautiful and gracious person, and a true friend. I got to know her even better while I was an employee of the Sanders, Bruin, Coll And Worley law firm. I know how respected she was as Chaves County District Clerk and Administrator, and that she was beloved by the legal community of the Fifth Judicial District of New Mexico, and beyond. She was a mentor to many young ladies and young men and we all are the better for having known her. Mike and I were so privileged to be a part of her and Lloyd's life while we were in Roswell. I know she's at rest now. Love you and miss you mucho!!
