My dear friend Barbie from way back around 1976. My name is Elias Orona Jr. I think his family remembers me. I wanted to come see him, but never got the chance. He was a good friend. I remember one night cruising my 54 Chevy and Barnie riding shotgun. We had lots of fun. His favorites were to me was You want chanate or coffee pipo, my nick name. Anyway one night cruising the Blvd looking for girls, we ran into these two girls, one was kinda ugly and other was rather pretty Caucasian. Barnie was not having any good luck hooking up with a girl. I was going to let barnie take the ugly one, but he was a good friend and wanted him to find a nice looking girl. So I set him up with the blond, I think here name was Donna. Anyway fast forward, Donna and barnie had a baby and I was uncle pipo. The moral of the story was I could have taken the blond but felt that Barnie needed a girl more that me. I all ways had girls. Thank you my good friend Barnie. . And yes barnie could play the piano, blue berry hill was his favorite.
