“ Barry was a sweet fun caring person, we would all hang out in the parking lot during lunch or b4 classes started, he always had a big heart! My husband Steven worked with him hauling milk before he enlisted in the military, when he told Barry he wished him well and told him to give em h#\$%! Prayers and love for his kids and grandkids! Gods Speed Barry!

Barry was kind, considerate, and had a sense of humor. I just talked to him at Allsup's a day or two before he died. He was coming in from work and had a cold 12-pak of Bud for days off. Showed me his new Ford.
