"Extranenme- Pero Dejenme Ir"

Cuando llegue al final de mi camino y el sol esta bajando, no se llenen de trizteza, porque esta trizte por un alma que ha sido liberada? Extranenme un poco pero no por mucho tiempo ni con la cabeza para abajo, recuerden el amor que compartimos, extranenme - pero dejenme ir. Pues este viaje que todos tenemos que hacer y hacer solos, es parte del plan de nuestro Maestro, un paso en el camino asi ha el. Cuando te sientas solo y te duela el corazon, ve con las amistades que tuvimos, y juntos recuerden los bellos momentos que pasamos. Extranenme.... pero dejenme ir.

“ *He will be deeply missed. Our sincere sympathy for your family's loss. He was a great man and uncle. One of the good memories that I have is when I was working with him on the farm changing water. I was carrying the pipes and a beehive was close by, when all of a sudden the bees were swarming around me and stinging me and uncle came running over to swat the bees with his cap and get them away from me. Later on, we returned and were burning ditches and then the bees were dying from the smoke and uncle came over and said, "You got them back huh?" Many memories like these come to mind of what a wonderful and caring man he truly was. Love, Saul Pizarro*
