Thank you Michael for those sweet words. Abby was always there for me or anybody who needed her. I think about her quite often, I feel her with me all the time Michael. She gave me so much advise and i remember her dreams and i find myself wondering if she was my Angel On Earth but I never knew it. You know?

“ So Sorry for your loss. I met Abby when we worked together at Mazzio's pizza. Then lived across the street from her and Sunday. She was such a good happy person and I will never forget her teaching me to make Mexican food her way and not like a "gringo". Rest in peace my friend!!!!

“ *I love Abby for all the friendship she has shown me throughout so many years. She's explained a lot of things in the Bible to me when I've been confused. She took some of my lifetime secrets to heaven with her, And I thank God for that! She's always been real bright, happy and full of life and that's why the flowers I sent her are pretty happy colors because that's how she always was.*

“ To all of Abby's family. My sympathy to you. I am sorry to hear of Abby's passing. Years ago Sundy and Abby and I were close friends. I moved out of state and we lost contact. Seeing her obit saddens me. May Abby rest in eternal Peace with our Lord and Savior Christ Jesus. Although she will always be in your hearts I hope that in time you, family and her friends will find His Peace too knowing Abby is with Him. With Sincere Sympathy, C. Stewart.

Hey Cheryl, thank you for your kind words. I am Michael, Abby's younger brother. Abby really cherished your friendship. I've lived in Denver for 13 years now. She came to visit me in 2010. She talked about someday getting in touch with you over the years! I remember the friendship you two had and your love for animals. Not sure if you will ever get this message but my email is salcido.frantz@yahoo.com... Abby did miss you over the years. Thank you for being a special friend to my beautiful sister. Love Michael
