“ Hi Grama, I just wanted you to know that we love you very much and miss you. Anthony spoke very lovingly of you tonight, you would have been so proud of him. He's a man of very few words but his love and pride for you is shining very bright in him Grama and you would be so happy. I know you are smiling down on everyone but I can't help but think of how happy you are now, walking on the shores of heaven. I bet it is so beautiful Grama, knowing that you had people waiting for you with open arms, saying "come on Bea, it's time for you to be with us now" and how excited you are to be with them again. You'll be having a great time Grama, waiting for the rest of the family to go be with you. For every time there is a season, and I thank Jesus your season is a season forever in heaven walking the streets of gold, without pain, just the way He intends for you to be for eternity. Just be sure you look down on your family from time to time, and everyone will know it when there is a gentle sprinkle of rain and a bright rainbow in the sky that will remind everyone of your bright smile. Thank you for always thinking of us. We love you! Olga and Ceara Miranda

“ My Dearest Grandma if you only knew how hard it's to walk into your house and not be able to talk to you, or see you! We miss you Sooo much, however I know you are in a better place, and most of all not suffering anymore. I'm so sorry that I mentioned the "word" you never wanted to know your Diagnosis, and it slipped I felt horrible and still do. You know me couldn't keep anything from you. I'm so sorry!!! You look like a Beautiful Angel in your gorgeous pink satin gown, with your diamond ring, red rosary, and bunches of Roses surrounding you. just like you liked,you look so peaceful and content. You will be in my heart forever and ever and we will continue to honor your birthdays, holidays ect. You would get so exited to open and receive gifts I loved to watch your expressions! You are a very special "Grandma" no one can ever replace you. You are the world to my family and we love you with all our hearts. Always remember I love you more then sonic Ice your favorite place to eat! May God be with you in Heaven! Lots of love, hugs,and kisses
