“ *My heart aches knowing you're no longer here, but I am so deeply blessed that God chose you to be my aunt. You weren't just family, you were my safe place, my encourager, and a constant example of unconditional love. Your laughter, your wisdom, and your hugs will be missed more than words could ever say.*

I will forever be grateful for the moments we shared, the memories we made, and the love you poured into my life. Life will never be the same without you, but I carry your love in my heart until we meet again.

I love you so much, Aunt Jenny...thank you for being one of the greatest blessings of my life. I will miss you forever!

“ *My dear friend, you are entertaining the angels. Save me a spot. I
remember the girly conversations we had and a few times we ate
out. I remember the poor Clare monestary visit with you. You were
so classy, intelligent and a good friend and I will miss you , may you
enjoy your new home and your family that greeted you upon
entering the pearly gates. I can't remember when I didn't know the
Mayo family. Aleace and Jody, take care of each other as she would
want you to do*
