Flannel jacket, always so cold yet so warm hearted with such A loving soul!

Alex was the apple of his eye “son never feel alone” look up to the sky Daddy raised you right- I promise that one day we will reunite when the time is right. Benny love to live and lived to be loyal! Don't be sad it's just my body in the soil. He always had a plan and never liked to fight, any doe or deer in sight would be his dinner that night. He loved his nephews he taught them to take a stand. In return, let's promise to him to always strive to be a better man. In the last days before he passed, his sister Esther promised to stay by his side, so each day and each night she never left his bed side. On October 17th my Tio's life on earth ended but it touches my heart to let you all know his eternal life is just begun. My Dad made sure that his life on earth was not in vain- when the book of life is open wide. “Benny Garcia” will be called by name ~

“ Firstly, my sincere condolences, and prayers, for Frank and the entire family and friends of "Benny".

*I first met "Benny" in high-school, and although I have not seen him in a long-time, I'll always remember him as a real cool guy, with a great sense of Humor. A real tough-guy - when he needed to be. May The True and Living Yahweh, bless the soul of Benjamin Garcia. (*Popcorn)*
