“ *Its with profound sadness that I read about Bennys passing today. Benny and the Model bring back fond memories of Roswell. He will be missed as he was such a great and funny person. He always had a kind word to say to my Mom, Mrs Porter when we came by the shop to purchase clothing. I remember the week I was discharged from the Marine Corps in 1973 and I came back home, he gave me one the greatest greetings and thanks when I went by to see him . I always will remember that day. It was a pleasure to have known him.*

“ To Lori and the family; I am so sorry to see the passing of Benny and even more sorry that since my return to Roswell I had not taken the time to see my old friend. I will always have many fond memories of Benny. We worked across the alley from each other for many years when I worked at Whites, in the early 70's. We had lunch and coffee through the years. His since of humor always kept each occasion in seeing him something to look forward to. His presence will always be in my mind. Please accept my deepest sympathies.

“ *Benny was the best friend a person could ask for. He had the ability to turn a bad situation into a good one, a cry into a laugh, loneliness into a party and so much more. Benny was a gift to Main Street, to the golf courses, to his customers, friends and Roswell. We will always have a smile on our face when we remember him. Thank you Benny!* ”
