“ I worked with Bert at Allwoods. He was the assistant manager and at first very intimidating, not just to me but others. One day I told him a joke, everyone thought I was crazy. It was the best thing ever... He was no longer intimidating but a person I could talk to like a friend. He loved his wife and family and talked about them alot. He will be missed by many. I pray Gods peace and comfort for his family.

“ I first met Bert when we worked at Allwood's together then later at McCoy's. He enjoyed alot in his life but the most was his family. I pray he is enjoying his love now in heaven. Praying for peace and comfort for family.

“ I'm so sorry for your loss. He is now with the love of his life, sweet Betty! I worked with Bert for many years at McCoys, he never missed calling me on my birthday, even after he retired. Praying for comfort for the family.
