“ *I'm sure the family of Bertie have many fond memories to reflect upon. Even at 94, still life seems so short, and she will be missed deeply. It is also a time for needed comfort. (Rev.21) speaks of a new heavens and new earth, where pain and death will be no more. This raises new questions, will I be in a new heaven, or on a new earth? You can visit [www.watchtower.org](http://www.watchtower.org) and find the answer. May Jesus and the happy God Jehovah cheer up your family, and friends.*

“ *Our sympathy to Bertie's family and friends. She was a beloved baby sitter for the Presbyterian Church here in Lamesa. My 3 oldest children played with her often in the nursely. She was a very dependable person, but most of all we all loved her. I am so glad our family got to know her.*
