Dear Natalyn, Jason, Jonathan and other family members and close friends, I am deeply sorry for your loss of this lovely lady. May you soon find comfort in your memories, and know that her spirit is always with you.

Betty and I corresponded for several years after I left Roswell; a few months ago I came across her letters and couldn't bear to throw them away. I'm glad to have saved them among my little treasures. More recently, Betty and JoAnn and my memories of both have often been on my mind. Now my thoughts will also be of mother and daughter reunited. I loved them both.
