“ *If tears could build a stairway, And memories a lane, I'd walk right up to Heaven And bring you home again. Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow. Death leaves a heartache no one can heal, love leaves a memory no one can steal. My thoughts are with all of you.*

“ *My thoughts are with you. He was a good friend. I remember the time he talked me into jumping from his Dad's hay loft into a big pile of straw on the ground. Such fun.*

“ I am so sorry to hear about Bill. He was usually the one I talked to at Bob Reed Pest Control. (And I've had to call that office many many times) I never got to meet Bill, but he was always so friendly and helpful. Sadly, I get to put a face with the name now.

“ We wish to extend our deepest sympathies to the family and friends of Bill Brown. We were unable to attend the funeral, but our thoughts and prayers are with all of you. He was as close to a brother to Kenny as he could be. They grew up together and considered Dutch and Irene to be a mom and dad and the kids were all like brothers and sisters. He will be deeply missed. God Bless each and everyone of you. Love Kenny and Marilyn

“ We are so sorry for your loss. Bill always made us feel so welcome when we were around the family. He was always so friendly and inviting. Bill was such a genuine man. His love for his wife, children and grandchildren was so sincere and heartfelt. He left his children and grandchildren with his generosity, integrity and compassion. These qualities are apparent in all of them. Bill and his family helped our family through some times of sorrow. His strength helped comfort and console us. We offer the same support and strength to help your family through this time of sorrow. You are in our hearts and prayers.
