“ *One of my fondest memories of Bill besides his love for the PBR was one year on a campin trip at Bonito lake, Bill and margaret were set up in tents side beside and sometime in the night I could hear Margaret trying to wake bill up to tell him there was a bear in camp,and he told her"well wake Delbert up."That bear turned out to be a raccoon and we all got a big kick out of it the next morning at breakfast...I have alot of fond memories of Uncle Bill.he will be dearly missed.Hope yall stay in touch,and we love you guys...

“Howdy Aunt Margaret. I miss you all and look forward to that day in that place where families will never be separated from one another again.
*Ps 84:3,4 Even the sparrow has found a home, and the swallow a nest for herself, where she may have her young — a place near your altar, O LORD Almighty, my King and my God.
Blessed are those who dwell in your house; they are ever praising you.*
