“ *I had the pleasure of meeting Billie at the old Osteopathic Hospital. I started out as a dishwasher in 11th grade in high school. During that time Billie taught me how to cook, how to run the kitchen and in 12th grade I became the evening cook. She was such a kind woman and just so pleasant to be around. Thank you Billie for everything you taught me. May you rest in peace.*

“ *Billie became an honorary member of the Torrez family when Ernest and Mary were patients there. She would sit with members of the family during lunch and dinner and share stories of her family and her life. She would also sing songs to and with us. My brother's favorite song to sing with Billie was "Hey, Good Looking". God bless her. She was truly an angel.*

Respectfully,

Richard Torrez, Tempe, AZ.

“ I will forever remember Mrs. Billie. My mother is also a resident there at Casa Maria and Billie would always brighten up my day when she would start yodeling and start singing and dancing. Always happy no matter what, wearing her black cowboy hat and sweats and her favorite pair of boots. I assisted her several times there as she would become lost and confused, I made sure to make sure she made it back to her room safe and sound. I will never forget Mrs. Billie as she was such a sweet lady. My thoughts and prayers are with her family at this time.

Sincerely,
