“ For the first 15 years of my life, this man was married to my Aunt Michaele and he was my Uncle Bill. They had Burton, the twins and Scot and even after the divorce, it didn't matter where we were or who he was with, I always got a massive bear hug and he told me he loved me, I am going to miss those hugs very much. He was a great big teddy bear with a gruff exterior. He touched many lives, he was loved by many and will be very missed.
